Bay Leaves Specifications

Organic Way supplies dried bay leaves to spice packers, distributors and food manufacturers. Whole leaf buyers can discuss appearance and breakage requirements, while industrial buyers can enquire about processing grades for seasoning blends and prepared foods.

Parameter	Specification
Botanical identity	Laurus nobilis - confirm on the offered specification
Plant part	Leaves
Supply form	Whole dried leaves; broken or ground grade on request

Specification, not a batch-specific Certificate of Analysis. Final grade and commercial terms are confirmed in the quotation.
