Caraway Seeds Specifications

Organic Way supplies Egyptian caraway seeds to bakeries, spice blenders and food manufacturers. Whole seeds can be quoted for visible inclusion in bread and cheese recipes, while crushed or ground grades can be discussed for blended seasonings.

Parameter	Specification
Botanical identity	Carum carvi L.
Plant part	Dried fruits, commercially traded as seeds
Supply form	Whole seeds; crushed or ground grades on request
Origin	Egypt

Specification, not a batch-specific Certificate of Analysis. Final grade and commercial terms are confirmed in the quotation.
