Turmeric Powder Specifications

Organic Way is an Egypt-based supplier and exporter handling bulk turmeric powder enquiries for spice blenders and food manufacturers. We review the requested colour, particle size and composition, and confirm the raw material origin in the quotation and supporting specification.

Parameter	Specification
Botanical identity	Curcuma longa L.
Plant part	Rhizomes
Supply form	Ground dried turmeric

Specification, not a batch-specific Certificate of Analysis. Final grade and commercial terms are confirmed in the quotation.
